Ministry Name: Building and Grounds Ministry
Deacon: Bob Findley

Purpose Statement: To be responsible stewards of the facilities that God has blessed this congregation with for use in worship, fellowship and community outreach. This ministry seeks to provide a framework to maintain the properties, promote improvements as needed, and address technical and safety issues in order to create a comfortable and properly functioning environment to worship God.

Goal #1: Maintain the inside of our building, including repairs and remodeling, heating, cooling, electrical, plumbing, and mechanical repairs,. hiring outside contractors for more complicated work..

Service Opportunity #O01: Assist with maintenance and repairs. This includes changing filters, changing light bulbs, setting thermostats, and maintaining the icemaker.

Time Commitment: 3-4 hours 2 or 3 times per year on pre-scheduled days (most likely Saturdays).
Skills/Qualifications needed: Basic maintenance and/or carpentry skills.

Goal #2: Maintain a neat appearance for the lawns, shrubs, landscaping, and parking areas around the building.

Service Opportunity #O02: Mow the church lawn .

Time Commitment: 2-3 hours weekly for 2 or 3 months per year on a rotational basis.
Skills/Qualifications needed: Ability to operate a riding mower.

Service Opportunity #O03: Trim shrubs and pull weeds in flower beds.

Time Commitment: 1-2 hours weekly for 2 or 3 months per year on a rotational basis.
Skills/Qualifications needed: Ability to perform outdoor gardening work.

Goal #3: Maintain a clean baptistery, ready for usage at any time.

Service Opportunity #O04: Drain, clean and refill the baptistery, and clean the surrounding baptistery area.

Time Commitment: 2-4 hours twice per month on a rotational schedule.
